HISTORIC AMERICAN BUILDINGS SURVEY

District No. 22 - Northern Ohio - William A. Bohnard, Director

Project No. 1 - JOEL WARREN (REX HOLLIS) HOUSE - 43 East Orange St.,  
Chagrin Falls, Cuyahoga County, Ohio.

Built about 1837. Original owner not known. Present owners Mr. and Mrs. Rex Hollis; purchased by Mrs. Hollis' father, Joel Warren, in 1890, from a Rev. Mr. Brown who had owned the property for more than 30 years.

The heavy framing timbers, cut from nearby forests, and the general construction work were done by Zophar Holcomb and the two story wood columns were made by hand by Ira Smith. Many 20 in. wide whitewood boards and planks were used in the construction.

The exterior siding of the house has been covered with shingles and the beauty of the design has been ruined.

April, 1934.
